

Prerequisite Software

Date	29 October 2022
Team ID	PNT2022TMID33042
Project Name	IOT-Smart Farmer

The screenshot displays a code editor window for a Python project named 'pythonProject'. The file 'sample.py' is open, showing the following code:

```
1 weather = 'rainy'
2 if weather == 'rain':
3     print('field have humidity')
4     print('no water required,rain is enough')
5 else:
6     print('water is needed')
```

The code is executed, and the output is shown in the 'Run' console at the bottom. The output is:

```
D:\pythonProject\venv\Scripts\python.exe D:\pythonProject\sample.py
water is needed
Process finished with exit code 0
```

The IDE interface includes a sidebar with a project tree, a top menu bar, and a bottom status bar showing the current file, line number, and other details.
